

International Swedish Championship for 606 and 505

August 13-15, 2021

Segelsällskapet Åmålsviken

Åmål

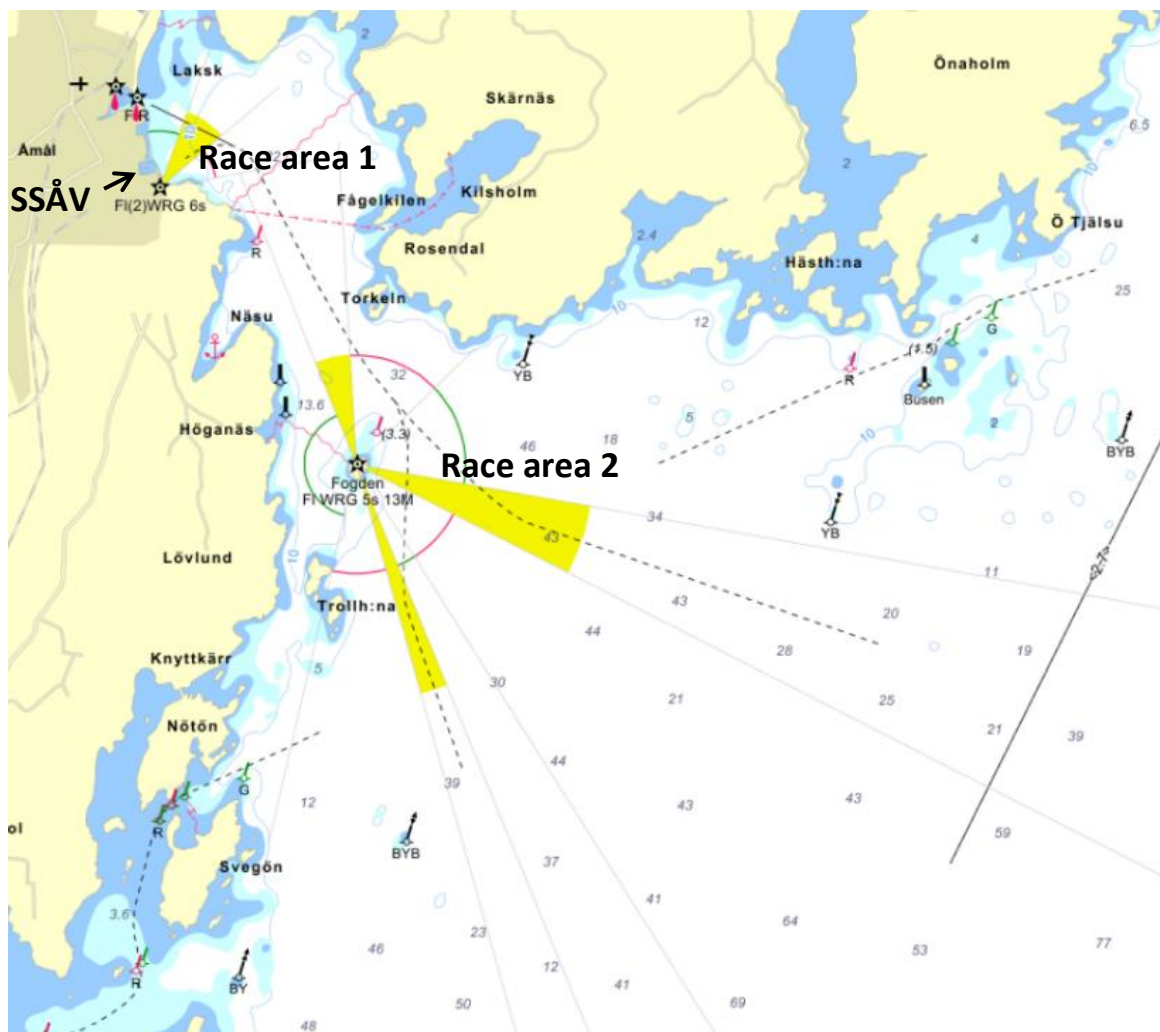

General Information

Race areas

We use 2 race areas depending on wind conditions and type of races:

- Area 1 is on the local bay which gives close and tight racing close to shore with great opportunities for spectators.
- Area 2 is 2-3 nm from the harbor and provides open water conditions

Välkommen till
Segelsällskapet Åmålsviken

The harbor and club area

The green area surrounding the Club area is available for parking cars, trailers and dinghies.

The docking area for the 606 will be between Y-beams along the shore line and the floating dock in the center of the harbor.
